A GIGANTIC STOCK SALE

Will Equal the Union County Fair And for Those Wanting Fine Stock, More Profitable.

The great Stock Sale of the late Dr. J. O. Dixon to be seen on another page will prove the greatest event in stock circles ever taking place in this or adjoining counties.

Dr. Dixon was a great and good man and one of the greatest promoters of fine stock in Crittenden county. His farms were all stocked with the best registered stock to be had of horses, mules, hogs, cattle, and sheep and it has been said by those in a position to know, the best stocked farm in Western Kentucky.

And just so is it with his farm implements and farm machinery. No farm in many counties was better equipped with the latest modern implements and machinery than were the Dixon farms.

This sale will be of such magnitude that people will be there for many counties around for the reason that the quality of fine stock and high class machinery is so unusual and so tempting that it will prove a pleasure to them even though they may not buy.

Watch the day and dates as advertised, Tuesday Aug. 9 at his stock barn at Marion and Thursday and Friday Aug. 11-12 at his farm near Tolu.

"Sure Cure"

"I would like to guide suffering women to a sure cure for female troubles," writes Mrs. R. E. Mercer, of Frozen Camp, W. Va. "I have found no medicine equal to Cardui. I had suffered for about four years. Would have headache for a week at a time, until I would be nearly crazy. I took Cardui and now I never have the headache any more."

Take **CARDUI**

The Woman's Tonic

The pains from which many women suffer every month are unnecessary.

It's not safe to trust to strong drugs, right at the time of the pains.

Better to take Cardui for a while, before and after, to strengthen the system and cure the cause.

This is the sensible, the scientific, the right way. Try it.

A LETTER FROM

MRS. J. E. GLASS

Owing to the fact that our home burned up and almost everything we had including a new piano I had bought for my little girl, I have entered the Piano Contest of the Record-Press, and as there is to be a Piano given away to the one that gets the most subscribers, I do earnestly solicit your subscription. Every one that subscribes or renews gets a map of the United States free with the pictures of all the Presidents from Washington to Taft. The map alone is worth a dollar, and besides the Record-Press is one of the leading papers in Western Kentucky, and this would be a great help to me. Will you please either subscribe or renew before the Contest closes and have your name entered as my subscriber. Thanking you in advance I remain
Yours very truly,
Mrs. J. E. GLASS.
